Subject: Air Suspension Seat Warranty

Date: March 20, 2008

[Select Seat Warranty](#)

3 years on seat structure and parts, with 1 year on trim and foam.

[Air Cruiser Warranty](#)

1 year on seat structure and parts to include including trim and foam.

**The following is not covered under Warranty:**

- 1.) Normal wear and tear or components that have failed through abuse, lack of maintenance, improper modifications, including removal of risers or repair and damage through a misapplication.
- 2.) Normal maintenance as stipulated in the operator's manuals-includes maintenance and service items that are subject to consumption or wear during normal operating life.
- 3.) Soft trim that has been worn, soiled, torn, cut or deteriorated due to use or exposure.
